

# ***Wisconsin***

## **Wisconsin General Comments**

- Expands the Reserve Component Command and Control mission at Ft McCoy as part of a major Reserve Component transformation.
- Closing RC facilities is offset by the construction of modern AFRCs that will be the right size and design to support units that will be stationed there. Transforming RC facilities in Wisconsin will improve training, readiness and quality of life for more than 994 RC soldiers, full-time unit support personnel, and their families.

## **Reserve Component**

Gains:

- Build a new Armed Force Reserve Center in Madison

Losses:

- Close 2 Army Reserve Centers

## **Fort McCoy**

*BRAC 2005 Recommendation:*

*The BRAC 05 recommendations expand the Reserve Component Command and Control mission at Fort McCoy as part of a major Reserve Component transformation. They also reshape the training mission on the installation.*

Gains:

- Establish a new Army Reserve Regional Readiness Sustainment Command

Losses:

- 84th Army Reserve Readiness Training Center (ARRTC) functions to Ft Knox
