

SECRETARY OF THE ARMY  
WASHINGTON  
DEC 23 2013

To the Employees of our Army Audit Agency

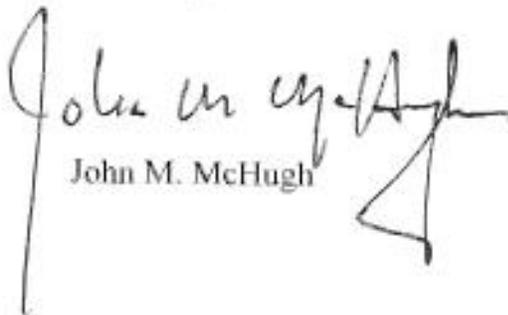

Congratulations for finishing in the top three for the 4<sup>th</sup> year in a row in "The Best Places to Work in the Federal Government" competition. This year's 3<sup>rd</sup> place among the 300 Federal subcomponents that competed in FY 2013 is quite impressive. It adds further to your stellar performance in FYs 2010 and 2011, when you finished 2<sup>nd</sup> of over 200 competing subcomponents, and your 1<sup>st</sup> place finish last year. Your accomplishments are great news for the Army, and we are inspired by your sustained record of exceptional performance.

I am delighted to see your organization consistently receives such distinctive recognition year after year. Your work is essential to making our Army a more agile, cost-effective organization, particularly as we navigate many complex issues confronting us during one of the most challenging periods in our Nation's history.

Thank you for your professionalism and for your enduring role in making our Army the Strength of the Nation.

Sincerely,

*Congratulations!*

John M. McHugh
