

US Army Corps  
of Engineers.

**Amendment to Letter of Obligation**  
**Between the**  
**Delegated Competitive Sourcing Official and the**  
**Directorate of Public Works Maintenance and Repair Functions**  
**Agency Tender Official**

1. Abbreviations used in this amendment:

ATO – Agency Tender Official  
CGO – Continuing Government Organization  
DCSO – Delegated Competitive Sourcing Official  
FTE – Full-time Equivalent  
LOO – Letter of Obligation  
MEO – Most Efficient Organization  
PWS – Performance Work Statement  
SSPM – Strategic Sourcing Program Manager  
TE – Technical Exhibit

2. This amendment is executed under the provisions in paragraph 7 of the LOO dated 16 August 2006 which provides for general changes to the LOO by the DCSO and ATO after consultation with the head of the CGO. The cited paragraph further provides that the SSPM will make an equitable adjustment and revise the LOO, PWS, and agency tender, as necessary.

3. After consultation with the head of the CGO, the ATO and the DCSO agree that an equitable adjustment of two FTE is warranted by the estimated work load and that this adjustment shall be made immediately to minimize the impact upon the affected employees and to avoid any disruption in the transition events.

4. The SSPM will make this amendment a part of the LOO file and will incorporate TE 2-001-2 Mod 1 into the PWS.

26 SEP 2006

RONALD L. JOHNSON  
Major General, USA  
Deputy Commander and  
Delegated Competitive Sourcing Official

LARRY M. ROBINSON  
Agency Tender Official
