

## Competitive Sourcing Events - Streamlined Competition

### Preliminary Planning

1. Scope of activities, FTEs
2. Conduct initial research as business units
3. Assess workload data - establish collection system
4. Develop baseline cost of incumbent
5. Determine type of competition - Streamlined or Standard
6. Establish competition and completion schedules
7. Establish roles, responsibilities
8. Appoint competition officials
9. Inform incumbent service provider of public announcement

Congressional Announcement - anytime during Preliminary Planning

### Public Announcement

Private Sector  
follow FAR

Government  
Implement

### Implement Performance Decision

Post Competition Accountability

Recompetition Required

Contract decisions based on FAR

Agency decisions by end of last performance period
