

Hawaii

Hawaii General Comments

- Closing these Reserve Component facilities is offset by the construction of a modern AFRCs that will be the right size and design to support the Guard and Reserve units that will be stationed there. Transforming RC facilities in Hawaii will improve training, readiness and quality of life for more than 550 RC soldiers, full-time unit support personnel, and their families.

Reserve Component

Gains:

- Build 1 new Armed Forces Reserve Center

Losses:

- Close 1 Army Reserve Center
- Close 2 National Guard Armories with State permission
