

West Virginia

West Virginia Comments

- Closing RC facilities is offset by the construction of modern AFRCs that will be the right size and design to support units that will be stationed there. Transforming RC facilities in West Virginia will improve training, readiness and quality of life for more than 790 RC soldiers, full-time unit support personnel, and their families.

Reserve Component

Gains:

- Build 3 new Armed Forces Reserve Centers.

Losses:

- Close 4 Army Reserve Centers
- Close 3 Army National Guard Armories with State permission
