MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Final Results of the FY07 Military Construction, Army (MCA) Project Review Board (PRB) for General Revitalization Projects (MDEP: ERVT)

1. The purpose of this memorandum is to provide the final results of the FY07 PRB.
2. At the PRB in March 2004, MACOMs and HQ, IMA briefed their FY07 Revitalization projects to the HQDA Construction Requirements Review Committee (CRRC). CRRC members scored each project based on the urgency of need and Army priorities. The CRRC score, combined with other elements of the Military Construction Project Prioritization System Model, yielded a rank order of projects that was provided to members of the Installation Management Board of Directors for comment, then to the Deputy Chief of Staff (DCS), Army G3, for approval. The approved list is enclosed.
3. In August, the FY06 Budget Estimate Submission FYDP was approved by the Army Secretariat and submitted to OSD. The FYDP submission to OSD was made prior to receipt of the DCS, Army G3 priorities. We will make appropriate changes to the FY06 President's Budget FYDP to reflect the Army G3's priority and other changes resulting from OSD/OMB review during the POM/Budget review process currently underway.
4. My Construction Division point of contact is Ms. Nadja Bowman, 703-604-2413, [Nadja.Bowman@hqda.army.mil](mailto:Nadja.Bowman@hqda.army.mil).
