

Jan. 22-23, 2009
Embassy Suites Outdoor World
Grapevine, Texas

If you're a member of the uniformed services who is planning to retire or to leave public service in 2009, then you need to attend the

SAME Transition Workshop and Job Fair!

SAME knows how difficult it may be to transition out of the military. Finding the right organization where your knowledge, talent and experience can be put to good use can be a daunting task. Let SAME help make this transition a quick and seamless process!

Transition Workshop

The **Transition Workshop** features a unique forum of panel discussions with members of the uniformed services and civilians who have recently transitioned out of government service and into the private sector. Additionally, representatives from architecture, engineering, construction (A/E/C), environmental services and facility management organizations will be on-hand to describe the types of positions available in the A/E/C and facility management industries.

Job Fair

As an SAME Member you have an amazing opportunity to meet, greet and interview with SAME Sustaining Member Companies interested in hiring from our uniformed services. Each company will have a private suite where you can find more information about each organization or be interviewed for current openings. As an added bonus, we will provide your resume and contact information to all participating organizations in advance of the **Job Fair**.

Sign up today!

Attendance at the Transition Workshop and Job Fair is **free** to SAME Members; \$100 for non-members. To attend, you must register online at **www.same.org/transition**.

In 2008, more than 30 SAME Sustaining Member Companies participated, interviewed and selected final candidates out of our 120 attendees.

In 2009, let this be you!

"I believe I speak for nearly every participant when I say the workshop was a great success. We appreciate your taking the time to do this -- clearly an outstanding effort by a great professional society. Again, thanks for your leadership and support". – Col. Pete Taylor, U.S. Army (Ret.)
