

## **Good news!**

The Army is centralizing its automated referral system

### **Resumix Centralization Transition**

Army is consolidating all the resumes maintained by the CPOCs listed below into one central database. This consolidation will happen in stages. Please read the information below to find out what this means to you as an applicant:

- One resume will be on file for all centralized regions. There is no need to submit a new resume if you have one on file.
- Resumes submitted through the Army Civilian Resume Builder (<http://www.cpol.army.mil> click on Employment, then Army's Resume Builder) will automatically flow into the centralized referral database. This is the fastest way to get a resume into the centralized referral database. If you are applying through the Army Civilian Resume Builder, you will continue to select the CPOCs as you do now to send your resume. The system will automatically send the resume to the CPOC you identified or to the centralized referral database as appropriate.
- Applicants will submit a new resume after they have accepted a permanent position. This does not apply to temporary promotions or temporary reassignments.
- Self-Nominations through the Vacancy Announcement Board (<http://www.cpol.army.mil> click on Employment, then Army's Vacancy Announcements) will be posted automatically to the centralized referral database with on line confirmation.
- ANSWER (<http://www.cpol.army.mil>) click on Employment, then ANSWER) will be the method for applicant notification. It is the best way to review your most recent resume on file.
